

I made tiffin with Aravind in the morning, and we ate breakfast early. After that, I slept upto 12:30 pm and woke up because of the light flooding inside the room. Aravind and I cleaned the entire hall and kitchen, but most of the part was done by him. Then, we both ate lunch, and I did something which was fucking evident if no one was inside my home. In the meantime, Dheeraj bro came, and I asked him the question of how to do a fucking job by being a crazy student. I spoke to Laxman about the same fucking topic. Right now, I had my dinner and bathed. I am writing this one. Once I am done with this, I will stay at home for a while, and then I have to go for my shift at 5 Hannah Avenue from 12 am to 12 pm. apart from that, I have to receive the guests from the Aravind side. They are due at any minute from this point.
