

I woke up as usual on my terrace and came to my house and placed my things such as my mobile and water bottle on my table. I cleaned up and started walking while reading the newspaper after I had sipped the warm water. In the morning after everything, even my tiffin I spent the entire morning reading the discovery of india book. In the mid afternoon, I spent some time reading elon musk biography for some time after I had lunch. In the mid afternoon, I went to pick up the bsnl office working guy to my house to repair the wifi and he did the repair in one hour. In the evening, I updated my laptop to windows 11 and had a problem with writing. So , I am suffering to write my own diary. Tomorrow, I think I have to set up my laptop.
