

I woke up and did my daily rituals and studied the newspapers and spent the entire morning reading the ugly love book after my breakfast. I completed the book and it was not a fine good book to read because it was all about love and sex and written in a language which describes more about the nature revolving around them rather than focusing on the story. In the afternoon, after I had my lunch, I watched several youtube videos which I saved on youtube from the past couple of days. In the evening, at around 5 pm, I trimmed my beard and moustache and bathed for 20 minutes. I spent the first couple of minutes watching youtube and later I spoke to three different people on phone. Firstly, I spoke to Narasimha about my studies and stuff like that. Secondly, I spoke to Mahesh regarding the education and clothes and finally, I spoke to Krishna's friend regarding his PR to Canada and the IELTS exam. I watched the boy's web series and slept.
