

I woke up in the morning and did my daily chores. I attended my class and prepared my demo. even though, I didn't get the option to present a demo because of host behaviour towards the class. In the afternoon, after my lunch, I got ready and went to the service Canada to get the sin number. but, I didn't get it because of the rush. Secondly, I went to the bank to open the GIC. eventually, I did the process and deposited the money which I had in cash. I came home and talked to Mahesh on the balcony for one hour because both Arvind and Dheeraj went to pick up the laptop. Arvind made the curry after he came and we ate and went to sleep.
