

I woke up pretty early and did my daily chores in the bathroom schedule. I attended the class and today was the last day for the final exam and he gave some really tight exams for this. I spent the time on the bonus exercise and submitted that. From that point of time to the end of the class, I ate my breakfast, called to few people, and submitted the partial assignment. In the afternoon, I went to the part-time interview and they cancelled and scheduled it for Friday. After coming home, I and Mahesh anna went to the grocery store and bought some groceries. In the evening, I made chapati and ate that. Right now, I am writing this diary, once I am done with this, I will have to brush, order the table in Walmart, and browse social media.
