

I woke up at half-past eleven in Dheeraj's room. After waking up, I spent my time brushing and cleaning myself. I watched tv for a bit Before I go to the hall to pick my nuts for the day. Meanwhile, Arvind cleaned the kitchen. In the afternoon, I spent reading the book for the day. After a while, I picked up all the clothes that I used and went to the laundry. It took almost two hours to do the laundry. I had my lunch in the meantime. In the evening, I spent some time working on the youtube videos and projects. Then, I spoke to Lokesh for more than 2 hours regarding various topics. I made dinner and ate in Dheeraj's room while watching the house of cards web series. Right now, I am writing this diary. Once I am done with this, I have to deal with a brush, where to sleep? and find a table on amazon. I didn't do much today even though I prepared for today fully.
