

I woke up at 5:30 am and got ready for my college. I ate an apple for my breakfast and started my way to college. I called Lokesh to check whether he was coming or not. he told me that he is not coming to college because he had alcohol last night and didn't have proper sleep. I reached my college at 7:50 am and stayed in my class until 12:20 pm. When I was returning back, Vishaka came the way I am coming and we spoke when we were waiting for our second bus. I spoke with her regarding college and stuff. when I was in the class, my manager part-time reached me and asked me to do a shift from 1 pm to 9 pm. I told her about the situation about sin and I said to her that I will do the shift If you give me cash. after coming home, I ate my lunch and went to the part-time. I made a friend with a new guy and I even bought some snacks with me when my shift got over. I came home and spoke to my parents. right now, I had my dinner and writing this one. once I am done with this, I will have to arrange my things for tomorrow.
