

I woke up at exactly 8 am and attended the class online. After turning in the course, I did my process, such as cleaning, washing, and brushing. In the morning, I worked on my resume. at noon, I went down with Lakshman to buy some food from the shop. We got paratha from the store and ate it for our lunch. I took a nap and woke up at 6 pm. I worked on my resume and showed it to Lakshman, bro. After a while, I washed my socks, cleaned my body, and studied the git tutorial. Right now, I am writing this one. Once I finish this, I will trim my moustache and help Aravind with our dinner. I will sleep after my brushing and dinner.
